A screenshot of a web browser showing the Mozilla Add-ons page for the "Cookies Export/Import" extension. The browser's address bar shows the URL "https://addons.mozilla.org/es/firefox/addon/cookies-exportimport/". The page header includes the Mozilla logo and the word "COMPLEMENTOS" in large, bold letters, with sub-headers "EXTENSIONES | TEMAS | COLECCIONES | MÁS...". A search bar is visible on the right. The main content area features a green puzzle piece icon for the extension, the title "Cookies Export/import 1.0" with a "SIN REINICIAR" badge, and the author "por Ewind". A description states "Imports/exports cookies following Netscape standard." and a green "+ Add to Firefox" button is present. To the right, red text says "Search Cookie Export/Import in google". At the bottom, there is a screenshot of a Firefox menu with "Import Cookies" and "Export Cookies" highlighted, overlaid with a "FREE NETFLIX ACCOUNT" watermark featuring a ghost icon.
